4. LIMITATIONS OF SERVICE

- a. Service is offered subject to the availability of the necessary facilities and / or equipment and subject to the provisions of this tariff. The carrier reserves the right not to provide service to or from a location where the necessary facilities or equipment are not available.
- b. The carrier reserves the right to discontinue furnishing service upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this tariff, or in violation of the law.

5. USE OF SERVICE

- a. Service may be used for the transmission of communications by the customer.
- b. Service may not be used for any unlawful purpose or for any purpose for which any payment or other compensation is received by the customer, except when the customer is a duly authorized and regulated common carrier. This provision does not prohibit an arrangement between the customer, authorized user or joint user to share the cost of the service so long as the arrangement generates no profit for any participant in the arrangement.

9. CANCELLATION BY CARRIER

9.1 Without incurring liability, Zone may, upon notice to the customer, discontinue services to a Customer or may withhold the provision of ordered or contracted services:

- (A) For nonpayment of any sum due Zone for more than thirty days after issuance of the bill for the amount due,
- (B) For violation of any of the provisions of this tariff,
- (C) For violation of any law, rule, regulation or policy of any governing authority having jurisdiction over the Company's services, or
- (D) By reason of any order or decision of a court, commission or federal regulatory body or other governing authority prohibiting Zone from furnishing its services.

9.2 Without incurring liability, Zone may interrupt the provision of services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of Customer and Company's equipment and services and may continue such interruption until any items of non-compliance or improper equipment operation so identified and rectified.

9.3 Service may be discontinued by Zone, without notice to the Customer, by blocking traffic to certain countries, cities or NXX exchanges, or by blocking calls using a call screening method which generates a network message not allowing calls to complete, when Zone deems it necessary to take such action to prevent unlawful use of its service. Zone will restore service as soon as it can be provided without undue risk.

10. RESTORATION OF SERVICE

The use and restoration of service in emergencies shall be in accordance with Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations, which specifies the priority system for such activities.

11. CONTESTED CHARGES

For consideration of any disputed charge, a user must submit in writing to Zone Telecom, Inc. within 30 days of the date the bill is issued, the call details and the basis for any requested adjustment. Zone will promptly investigate and advise the user as to its findings and disposition. Any undisputed charges must be paid on a timely basis.

12. LIABILITIES

- a. All state and local taxes (e.g., gross receipts tax, sales tax, municipal utilities tax) are billed separately from the quoted rates.
- b. The liability of the carrier for damages arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission occurring in the course of furnishing service or other facilities and not caused by the negligence of the customer, commences upon activation of service and in no event exceeds an amount equivalent to the proportionate charge to the customer for the period of service during which such mistakes,

Interexchange Service TariffRATES AND CHARGES FOR FIBERWATS SUBSCRIBER SERVICE (continued)3. CALCULATION OF DISTANCE

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call. The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. Zone Telecom, Inc. uses the rate centers and associated vertical and horizontal coordinates that are produced by Bell Communications Research in their NPA-NXX V & H Coordinates Tape and NECA Tariff FCC No. 4.

FORMULA:

$$\sqrt{\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}}$$

4. HOLIDAY RATES

The evening rate applies to the following holidays unless a lower rate would normally apply.

New Year's Day	-	January 1
Independence Day	-	July 4
Labor Day	-	As nationally observed
Thanksgiving Day	-	As nationally observed
Christmas Day	-	December 25
